

Every house is different. Every fabric is unique. We want to help you weave a story together to create an enchanting story of harmony. A place that is cosy, comfortable and makes you feel like your very own space. Indulge into a beautiful maximalism of weaves with outstanding quality of fabrics made in handpicked thoughtful colors. Our collections are a new tool to get affordable luxury. Greatly priced our fabrics will create a space that is class apart.

Everyone is looking to add a modern feel to a room. Just with the right balance between texture and softness, this collection of velvet upholstery is a long runner in wear and tear. With over 50,000 martindale count, these fabrics can be used effortlessly in any interior that is timeless in fashion. With colours varying from earthen to darker brights, we have a plenty for you to choose from. Create enchanting interiors paired with accents to add comfort with the beautiful collection of fabrics offered by Maishaa.

Our collections are specially custom made for us keeping both residential as well as contract spaces in mind.
