The plush and lustrous with its soft sheen and rich colors, these fabrics add an instant glam to the space. Our luxury fabrics bring a new element to the collections in a very fresh and refreshing manner. Perfect for layering with abstracts and prints one can create a multidimensional look with this fresh and modern feel. In a multiple color variety, this collection brings the best out of the décor that your space already has. Add a bit of luxe to your abode and you will want to rest, refresh and stay in this atmosphere forever.
