

Every house is different. Every fabric is unique. We want to help you weave a story together to create an enchanting story of harmony. A place that is cosy, comfortable and makes you feel like your very own space. Indulge into a beautiful maximalism of weaves with outstanding quality of fabrics made in handpicked thoughtful colors. Our collections are a new tool to get affordable luxury. Greatly priced our fabrics will create a space that is class apart.

Carve out a space that is so comforting to spend your entire time. Sometimes our eyes move in the direction of luxe that is not only pleasant but also adds a character to the overall interiors. Maishaa's Chatton Foil Collection is an eyecatching head turner that focusses on the calming texture added to the plush velvets for a mesmeric effect. Your eyes would rest on each of these fabrics as you look through our catalog with a wide variety of colors. Again above 50,000 martindale cycles, this a perfect abrasion free upholstery for your bespoke interiors.
