Founded in 1999 by Lee & Emma Clarke, Clarke & Clarke has established itself as one of the global leaders in the home furnishings market. The company now distributes products to retailers, manufacturers and interiors designers in over 90 countries and has earned a reputation for providing innovative designs, exceptional quality and excellent value for money.

Based in England, their style ranges from classic to contemporary fabric and wallpaper. To facilitate your decorating, many patterns coordinate with each other.

Available at all leading furnishing stores across India.

Traditional cottage garden flowers and whimsical farmyard animals bring a rustic feel to this collection of digital print designs. Watercolour effects and botanical illustrations are beautifully depicted on a dual-purpose cream or linen look cloth.

Our collections are specially custom made for us keeping both residential as well as contract spaces in mind.
