

CLARKE & CLARKE

Founded in 1999 by Lee & Emma Clarke, Clarke & Clarke has established itself as one of the global leaders in the home furnishings market. The company now distributes products to retailers, manufacturers and interiors designers in over 90 countries and has earned a reputation for providing innovative designs, exceptional quality and excellent value for money.

Based in England, their style ranges from classic to contemporary fabric and wallpaper. To facilitate your decorating, many patterns coordinate with each other.

Available at all leading furnishing stores across India.

Fresh realism brings hand drawn elements to life in this delightful collection. A fusion of the 'English country garden' and ornate damasks, Eden brims with vitality and colour. Wild ferns, rambling leafy trails and bejewelled dragonfly prints dance on a dual-purpose linen blend quality.

Our collections are specially custom made for us keeping both residential as well as contract spaces in mind.
