

Every house is different. Every fabric is unique. We want to help you weave a story together to create an enchanting story of harmony. A place that is cosy, comfortable and makes you feel like your very own space. Indulge into a beautiful maximalism of weaves with outstanding quality of fabrics made in handpicked thoughtful colors. Our collections are a new tool to get affordable luxury. Greatly priced our fabrics will create a space that is class apart.

Create a spin on your living space and refresh it with a feel of harmonious hues combined with a matty texture. The everlasting quality of this upholstery makes it more significant to be used in creating elegant interiors. The space gets a tasteful makeover with the Kurow Collection showcased with your stunning array of furniture. With always the right amount of texture and available in a variety of colors, Maishaa has this collection made for an audience who are looking for the right material for their perfect spaces.
