

Every house is different. Every fabric is unique. We want to help you weave a story together to create an enchanting story of harmony. A place that is cosy, comfortable and makes you feel like your very own space. Indulge into a beautiful maximalism of weaves with outstanding quality of fabrics made in handpicked thoughtful colors. Our collections are a new tool to get affordable luxury. Greatly priced our fabrics will create a space that is class apart.

Soothing atmospheres create paradise like calming and therapeutic spaces that we often use to relax and rejuvenate. It is really amazing to understand what creates these beautiful spaces. In order for you to enjoy that utmost comfort and sheer happiness, Maishaa is always beautiful yet durable fabrics. The key here is the detailing of the minute texture that is creatively immersed in the plushness of velvet giving the fabric the right amount of playfulness it needs.
